She had landed face up, so the damage was largely to her spine and the back of her head. Junior didn't want to think about what her posterior cranium might look like; happily, her cascading golden hair hid the truth. Her facial features were ever so slightly distorted, which suggested the greater ruin underneath, but the result was neither sad nor grotesque: Indeed, the distortion gave her the lopsided, perky, and altogether appealing grin of a mischievous gamine, lips parted as though she had just said something wonderfully witty. with a flat bonk and drilling empty pots with a hollow reverberant pong.
