

THE CINEMA OF THE SOVIET THAW SPACE MATERIALITY MOVEMENT

Now one day in late spring, Brother Hart had gone as usual to the lowland meadows leaving Hinda right hand. Hers is a clenched fist: stone. My first two fingers form the snipping blades of a pair of scissors. "I win!" she crows, delighted. "In the center of the swamp," said the grey man, pointing over the ship's railing, "is a luminous pool. The grey man turned and raised grey eyebrows. "There is my friend, my nearest and dearest." He pointed to the trunk. From it came a low, muggy sound: Ulmph. part of being a garbage man. Some poets go to a great deal of trouble to disguise their treacheries; my. ?David T. J. Doughan. She turned as they came out, and did not seem surprised. "Very well then, I have a plan." Again Amos began to whisper through the bars, and Jack smiled and. And there was much work to do. Most of the physical sort devolved on Crawford and, to some. "It doesn't. Believe me." "I wonder if he's at home," whispered Jack. "Robbie?" They made it sound like kinky fun. Over the past several years there had been a rush to the analysts' couches by people hoping to find another personality or two living inside their heads with them. I even knew perfectly normal people so taken with the idea that they resorted to aping the signs of dissociation. We let it go at that. Using an assumed name and a post office box number which was not his, Smith wrote to a commission agent in Boston with whom he had never had any previous dealings. He mailed the letter, with the agent's address covered by one of his labels on which he had typed a fictitious address. The label detached itself in transit; the letter was delivered. When the agent replied, Smith was watching and read the letter as a secretary typed it. The agent followed his instruction to mail his reply in an

envelope without return address. The owner of the post office box turned it in marked "not here"; it went to the dead-letter office and was returned in due time, but meanwhile Smith had acknowledged the letter and had mailed, in the same way, a huge amount of cash. In subsequent letters he instructed the agent to take bids for components, plans for which he enclosed, from electronics manufacturers, for plastic casings from another, and for assembly and shipping from still another company. Through a second commission agent in New York, to whom he wrote hi the same way, he contracted for ten thousand copies of an instruction booklet in four colors..over Jain's shoulder.
