He put out his finger and the butterfly lighted on it. He shook his finger and the butterfly fell to the ground, a fragment of brick. He looked at the man he knew only as Otter. "My lord," said one of them with a fine, dark face and a wizard's oaken staff, "we do trust you, and therefore ask you to let the witch go, and peace return." Medra took her hand and put his forehead against it. Telling his story he had kept back tears. He could not do so now. "If somebody could talk to her people there, they'd get word to her. Her brother, Littleash, used to conic to the city every year or two." Early laughed. But ever since she was a child Rose had seen something more in her, something beyond what she was. Crow had stocked the boat with better wares than most householders of the Isles were used to seeing, and Tern offered them at fair prices, mostly in barter, since there was little money among the islanders.
